Respected Sir,

It is submitted that my brother **Mahboob Ali Wadela S/o Baig Muhammad** is a political worker of Balochistan National Movement (BNM) and he was traveling for Gwadar on 2nd April, 2010 in **Sajidi Transport Van** and while the **Van** reached near Northern Bye-Pass Toll Plaza within the jurisdiction of **Maripur Police Station**, Karachi, it was intercepted by two police mobile and two Toyota Hilux Double Cabin Vehicles and the police personnel in uniform and civil clothes entered into Van and they picked up my brother and taken away with them. I was informed by the transporter as they know my family. I accordingly went to the Maripur Police Station and inquired about my brother. The police avoided to disclose the arrest, therefore, I stressed for writing my complaint which complaint was written and copy was provided to me. The Photocopy of the report at Maripur Police Station and the press clippings with the Van ticket are all attached herewith so also the photocopy of my own CNIC.

Sir, my brother is a political worker and on account of his political activities he has been taken over/arrested by the Maripur Police or some other agencies, they are not disclosing any crime committed by my brother or his whereabouts. He is missing since 02-04-2010 I and my entire family apprehend the danger to his life, therefore, kindly order for production of my brother in Court and if he has committed any offence, he may be treated according to law.

I and my entire family will be grateful for this act of kindness. I am prepared to appear in Court at Karachi Bench, if called by the Honorable Supreme Court.

Thanking you,

Yours sincerely
