Subject : ISSUANCE OF PASSPORTS.

My Dear

I hope this will find you in best of health and spirit.

I am availing this opportunity to attach herewith a list of family members of Sardar Shaukat. He is my family friend and residing in Switzerland since long. He belongs to Sudhnati, Azad Kashmir. His family's passports were expired in Switzerland and they have submitted their passports in Pakistan Consulate, Bern, Switzerland for issuance of new passports. But, for some unknown reasons, the Consulate has refused their applications and denying renewing their passports. Their family detail is annexed herewith.

Hence, I request your high office to place orders to the concerns for renewal of their passports as soon as possible. I shall be very thankful ever, if my request would be given positive response.

With warm regards,
