

The Computer Crimes Act BE. 2550 (2007)

Article 14

Any person who commits an offence by any of the following acts shall be subject to imprisonment for not more than five years or a fine of not more than one hundred thousand baht or both:

(1) that involves import into a computer system of forged computer data, either in whole or in part, or false computer data, in a manner that is likely to cause damage to a third party or the public;

(2) that involves import into a computer system of false computer data in a manner that is likely to damage the country's security or cause public panic;

(3) that involves import into a computer system of any computer data related with an offence against the Kingdom's security under the Criminal Code;

(4) that involves import to a computer system of any computer data of a pornographic nature that is publicly accessible;

(5) that involves the dissemination or forwarding of computer data already known to be computer data under (1) (2) (3) or (4);

Article 15

Any service provider intentionally supporting or consenting to an offence under Section 14 within a computer system under their control shall be subject to the same penalty as that imposed upon a person committing an offence under Section 14.
